## Welcome to Brooks Country House

A newly refurbished, stunning 22 bedroom Georgian Manor House, in 13 acres of beautiful grounds surrounding National Trust Park Land. The hotel is situated between the pretty towns of Hereford and Ross on Wye in Herefordshire.

All 22 rooms have been newly refurbished with Cole and Son wallpapers, new designer carpets and curtains, large flat screen TVs and DVDs, pocket sprung mattresses, many in four poster beds with goose down duvets & comfy pillows.

Design wise, it's an eclectic mix of modern and antique furniture, quintessentially British. All bedrooms are spacious with beautiful views over the surrounding countryside.

Bathrooms have roll top baths and marble or travertine tiles, all with Hansgrohe fittings and good power showers. Tea, coffee and hot chocolate is available in all rooms.

There is a pretty guest lounge with comfy sofas and a big fireplace to curl up to, the perfect spot to read your favourite book and have some afternoon tea.

The bar is well stocked with wine sprits, beers and locally sourced cider including our own house wine, which is grown in the vineyard called 'Pengethley Estate'.

Our restaurant serves classic brasserie food such as Moules Marinere and Hereford Steak Frites, plus a great Sunday lunch with delicious Hereford Beef. We love our food and source locally and ethically.

We cater for special birthday parties, family celebrations, events, corporate functions & Christmas parties. We have a civil ceremony license and can cater for 65 in the restaurant for a wedding breakfast. Our marquee can also be hired and can sit 120 and 180 for an evening function.

Leisure wise we have a games room with table tennis, table football & darts. A heated swimming pool throughout the summer, life size garden chess and a special play room area for little kids up to 7 years old. Segway's to have fun on across the fields, a beauty room and a pool room, so something for everyone to help unwind and kick back.

Our vineyard is a beautiful spot to walk around, see the vines growing and of course a good excuse to sample some 'Pengethley Estate' too!

Our heated outdoor pool is open from 1st June to 1st October annually. Enjoy the barrel sauna located next to the pool & the life size chess!

Our snooker room can be used as a private dining room or simply a good place for a pint and chat before dinner.
